**Subject:** TDC Reappointments

Honorable Chairman and Members of the Board,

TDC Chairman Tom Waits and I request your support for the reappointments of Michelle Wilson and Mary Beth Foss to the Tourist Development Council. Both members have requested to be reappointed and have done an outstanding job for our County program. We would appreciate your consideration for these reappointments. Please contact Chairman Waits or me at 606-2310 if you have any questions.  
Thanks,  
Guy
